Thank you for kmz file and edits! Are you both available for a quick scoping meeting call for the event either tomorrow or Thurs?

I've attached the kmz with the sampling locations. A couple of control samples have been added due to info learned after the QAPP was sent.

Word and pdf were uploaded. A few points:

- 1) the QAM signature line .. since we have not done this for other FY20 sites, allow us the indulgence of skipping this until we get the new QAPP template from region 4.
- 2) Section A3 - Similar to first comment. We have included address for the agency/section level groups included in this section. Future QAPPs will have more specificity.
- 3) Section A5, Comment 4 is partially addressed in section A6.

Let me know if you need anything further. We will send a kmz in a bit.

Hey Robert and Jason,

Please see the attached Draft QAPP checklist and associated comments. Once the revisions are made I will create the Final checklist to have signed and approved by Meredith and I. Could you send a KMZ file of the sample locations, as well? Thank you. Have a great weekend.

Best wishes,

We are hoping to get out the last week of September. We have combined the final two rounds into one and hope to get it done in two or three days.
